- Fast Learner
- Adaptability
- Highly Organized
- Ability to Multitask
- Ability to Work in a Team
- Effective Time Management
- Excellent Computer Skills
- Proficient knowledge and understanding of Innergy and Bluebeam estimating takeoff platforms
- Proficient knowledge and understanding of AWI and FSC millwork requirements

PROFESSIONAL SUMMARY

Skilled project cost estimator with diverse experience and knowledge in estimating a wide range of types of commercial millwork projects, managing vendor and subcontractor relationships and producing comprehensive cost analyses for projects from budget phase to final design and project award.

EXPERIENCE

January 2025 - July 2025

Project Estimator

Chamberlain Companies, Inc., Salem, NH

- Cost estimated a diverse range of commercial casework and custom millwork projects
- Submitted, managed and compiled pricing requests for specific materials and fixture components with vendors and suppliers
- Submitted and managed specialty quote requests with second tier subcontractors for buyout items to be furnished for complete millwork project scopes such as stone countertops, upholstered banquettes and other custom fabricated millwork items required
- Submitted and managed project installation quote requests and compiled complete scopes of work for millwork installers for costing project installation
- Reviewed change order requests for ongoing projects and provided updated pricing for material and design changes on already procured projects

September 2022 - August 2024

Project Estimator

TJ Hale, Menomonee Falls, WI

- Estimated complex custom millwork projects through complete phases of development from budget to final design
- Estimated commercial store millwork fixture projects for various large retailers
- Participated in several design build development projects for private clients

January 2021 - March 2022

Project Estimator

Thompson Millwork, Mebane, NC

- Estimated large-scale casework and custom millwork projects through various phases of development from budget through final installation
- Competed for requests for proposals for custom millwork from various general contractors throughout North Carolina

- Reviewed and negotiated change orders in existing contracted scopes of work as needed and required for projects
- Produced total project cost estimates for clients to support their allocation of budgets

July 2013 - January 2021

Project Estimator

Cleora Sterling Corporation, Mebane, NC

- Estimated cost for commercial millwork projects including custom cabinetry, countertops, wood paneling, running trim
- Determined associated costs for materials, number of labor hours for various manufacturing processes, engineering time and installation costs
- Participated in design builds with existing clients to develop millwork design concepts and produce complete builds
- Reviewed and negotiated commercial contracts between first tier subcontractor and general contractors

EDUCATION

June 2013

Juris Doctor

North Carolina Central University School of Law, North Carolina

June 2010

Bachelor of Arts

University of North Carolina at Wilmington, North Carolina
