## Additional Information

---

I have 25 years experience.

List of my skill set. Architectural Millwork / Casework

1. ) submittal drawings.
2. ) Red-line drawings.
3. ) Apply field dimensions for production drawings
4. ) CNC code generation.
5. ) Breakdown custom desk and such for production.
6. ) I understand Architectural Blueprints, can read , interpret and follow them 100%.
7. ) problem solving, decision making, excellent.
8. ) I can do the job,
9. ) I can take a job from start to finish.

estimate it, sell it, draw it, field measure it, production drawings to the shop floor, install package as required. I can do everything but hang it on the wall.
