WE'RE HIRING LEAD FINISHER

LEAD WITH SKILL! BUILD WITH PRECISION!

Creative Kitchen & Designs Cabinets is a growing, high-end custom cabinet manufacturer focused on precision, consistency, and customer satisfaction. We build custom residential and commercial cabinetry for homeowners, designers and contractors.

We are hiring a Lead Finisher for our finishing department to ensure the quality and consistency of our finishes and to keep the finishing team on schedule.

WHAT YOU'LL DO

- Lead all finishing operations (stain, paint, topcoat, conversion varnish)
- Establish and maintain finishing standards and processes
- Train and develop finishing team members
- Ensure consistent, repeatable high-end quality
- Coordinate with production manager and other department leads to meet deadlines
- Take responsibility for meeting schedule deadlines, ordering supplies, and smooth workflow

WHAT YOU'LL NEED

- Strong experience in cabinet and millwork finishing
- Ability to produce consistent, high-end results
- Leadership mindset— takes ownership, seek to improve existing protocols to ensure smoother operations
Proven ability to match colors accurately (including custom samples and repeatability across parts and jobs)
- Skilled in producing and controlling consistent high gloss finishes without defects
- High attention to detail and pride in craftsmanship
- Organized, process-oriented, and reliable
