

# Kiln Drying of Hardwood Lumber Short Course

July 19– 21, 2016  
9:00 AM to 5:00 PM  
Livestock Evaluation Center  
1494 West Pine Grove Road  
PA Furnace, Pa 16865  
(In Centre County)

This is a basic course designed for:

- Kiln operator trainees
- Plant managers
- Supervisors

No previous drying experience or training is necessary.

Instruction will include lectures, demonstrations, and hands-on experience. Wood moisture relations, kiln operation, lumber handling and storage, and drying schedule preparation will be emphasized in relation to drying of hardwood lumber.

### Cancellation Policy

We reserve the right to cancel or postpone due to low enrollment or other unforeseen circumstances. If the program is canceled, registration fees will be returned. Refunds will be made for cancellations received in writing by July 12, 2016. After that, the participant or organization will be held responsible for the fee. Anyone who is registered but cannot attend may send a substitute.

Contact Scott Weikert at 814-755-3544 or by email at [sjw128@psu.edu](mailto:sjw128@psu.edu) for more information
