Kiln Drying of Hardwood Lumber Short Course

June 25–27, 2018
9:00 AM to 5:00 PM
Penn State Extension– Forest Co.
668 Elm Street
Tionesta, Pa 16353
(In Forest County)

This is a basic course designed for:
- Kiln operator trainees
- Plant managers
- Supervisors

No previous drying experience or training is necessary.

Topics that will be covered include: wood moisture relations, kiln operation, lumber handling and storage, drying schedule preparation, drying defects, stress relief, and more as it relates to drying hardwood lumber. Instruction will include lectures and demonstrations.

Cancellation Policy

We reserve the right to cancel or postpone due to low enrollment or other unforeseen circumstances. If the program is canceled, registration fees will be returned. Refunds will be made for cancellations received in writing by June 22, 2018. After that, the participant or organization will be held responsible for the fee. Anyone who is registered but cannot attend may send a substitute.
